How do ELA digital class sets benefit districts & schools?

- Get students reading and engaged in what English Language Arts teachers want
- Accessible on all major devices, including iPad®, Chromebook™, smartphones and Kindle® (U.S. only), for online or offline use
- Save money on replacement costs
- Central access platform reduces the number of copies needed - seamlessly share content across districts and schools
- Publisher competition leads to better pricing
- Increase usage of all other digital content (social studies, science, etc.)
- Notetaking, highlighting and dictionary tools
- Audiobook options

We're your partners in success

We appreciate that every district and school is unique. OverDrive specializes in aligning budget considerations, content needs and expectations to create solutions designed for long-term digital success.
