report BUILDER

The **ULTIMATE** Database for Beginning Researchers

Report Builder's interactive question-and-answer approach helps emerging researchers find the information they need to write reports. Curriculum-based topics are concise and supported by eye-catching visuals.

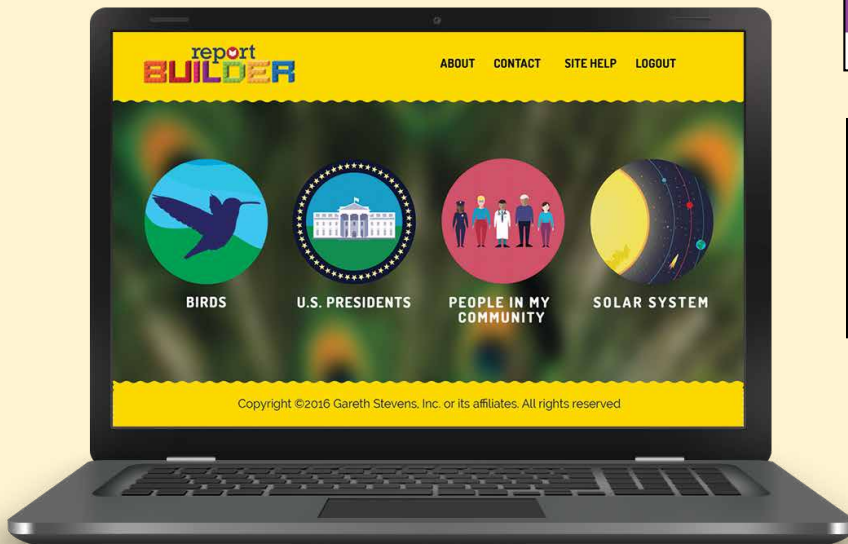

REPORT BUILDER DATABASE FEATURES:

- 150–300 captivating, age-appropriate images, captions, and articles
- Downloadable, copyright-cleared images in multiple sizes for use on everything from posters to digital projects
- Smart keyword search helps emerging researchers find exactly what they're looking for
- Read-along text highlighting and article citations support emerging researchers
- Visual learners can explore Report Builder using its intuitive browse feature

4 RESOURCES TO CHOOSE FROM!

Birds • U.S. Presidents
People in My Community • Solar System
